
Cobalt Lounge

95 Cordova's Cobalt Lounge is the city's hot spot to relax and gather in the evening, drawing a glamorous crowd for cocktails, "mood food," and live entertainment. Candlelit tables and lush upholstered seating create an upscale ambience with exotic nuance. Selections include the New World Martini Menu, an array of top-shelf, designer martinis, as well as a wide selection of cognacs, single malts, and 95 Cordova's extensive wine-by-the-glass list. Guests may also enjoy dining in the relaxed atmosphere of the Cobalt Lounge. Whether they are looking for a light appetizer or salad, a complete entrée, or one of 95 Cordova's dazzling desserts, all of the menu items featured in the restaurant are available in the Lounge along with cappuccino, espresso, and specialty coffee drinks.

Friday and Saturday nights, the Cobalt Lounge features the sultry sounds of live jazz, performed by an impressive roster of the region's hottest musicians. But no matter how spectacular the entertainment, it never overshadows 95 Cordova's headlining act, 95 Cordova's outstanding cuisine.

The Cobalt Lounge is open late nightly.
