Ceremony Package

The Casa Monica Hotel and 95 Cordova are delighted to introduce our new ceremony package.

Intimate ceremony package includes the following:

- ∞ Three (3) hours of Wedding Consultation
- ∞ Complete Room Setup
- ∞ One (1) Hour Ceremony in the Sultan's Room or Wine Room

The Wine Room

Capacity – 28

The Wine Room is located off of our main dining room, with a velvet draped entrance that provides a private exclusive retreat. Its rich Moroccan influence creates an intimate atmosphere that quickly transports guests to a faraway exotic locale.

The Sultan's Room

Capacity – 50

The Sultan's Room is a beautifully decorated room with a luxuriously draped ceiling and wrought iron wine cages. It is separated from the main dining room by ornate Moorish wooden doors.
